**KMS - STUDENT PORTAL**

**BE/BTech (2021 Batch) VI semester students should follow the steps as given below:**

- Students should go through the syllabus content clearly before registration.
- All students should register their courses in the specified duration only
- Date and Time: 03-01-2025 03.00PM to 04-01-2025 03.00 PM
- Courses will be allocated using the options that the students have chosen (First Come First Serve basis).
- If a student wants to change the options entered, he/she can change it and submit multiple times. However the courses opted and time (for priority) of last submission only be considered for course allocation.

**Open Eletive Choice Submission**
